(Civ. Code, § 4360)

---

Date: January 28, 2026

Dear Members of Rancho Dorado Owners Association,

At the duly noticed meeting of the Association’s Board of Directors (“**Board**”) held on January 19, 2026, the Board considered comments received in connection with the proposed changes to the Association’s operating rules (“**Proposed Rule Change**”).

If adopted, the Proposed Rule Change would serve to amend the Association’s Enforcement Policy & Fine Schedule to comply with new amendments to Civil Code sections 5850 and 5855 governing HOA enforcement procedures and the disciplinary measures that may be imposed in response to violations of an HOA’s governing documents.

This information and the language of the Proposed Rule Change was disclosed to the membership in advance of the above-referenced Board meeting, in satisfaction of the rule-change procedures set forth in Civil Code section 4360.

After consideration of comments received from Members regarding the Proposed Rule Change, the Board voted to adopt the Proposed Rule Change and to amend the Association’s Enforcement Policy & Fine Schedule accordingly. **The new Enforcement Policy & Fine Schedule is now in effect.**
